

LIZ AMES

Proven leader as BART Director and as a former Union City Planning Commissioner

Licensed Civil Engineer with over 30 years of local government experience

Chair of Save Our Hills Committee that has protected open space

Regular Bay Area Transit rider

If re-elected, Liz Ames will:

Focus as number one on BART safety for riders

Focus on ensuring clean stations and BART transit cars

Focus on BART investment and maintenance of the BART system

Focus on transit-oriented development around BART stations, including retail and entertainment
